^{1/} Rural-farm plus rural nonfarm.

^{2/} Includes white and Negro county agricultural agents, assistant county agricultural agents, county home demonstration agents, assistant county home demonstration agents, 4-H Club agents, assistant 4-H Club agents.

* Figures in this column indicate county 4-H Club agents plus county assistant 4-H Club agents and are included in the total-column figures explained under footnote 2. Excepting Nevada, all States had one or more 4-H Club workers on their State staff as of September 1943.

** Figures in this column indicate assistant county agricultural agents plus assistant county home demonstration agents and are included in the total column explained under footnote 2.

*** May be due to fact that 4-H membership includes youth also of 20 and 21 years of age; also to increase in population of club age since 1940 census; and to enrollment of club-age city victory gardeners in 4-H Clubs.

June 26, 1945

JUL 11 1945
